HOPE SPOTLIGHT: BABY OF ANNASUYAMMA'S JOURNEY

- ♡ Baby of Annasuyamma was born with complications that needed a long NICU stay. Parents hailing from the farmer's background, couldn't afford to lose the baby and yet the NICU treatment cost weighed them down.
- ♡ A little support from NFI & the excellent care of the doctors helped the baby survive and thrive.
- ♡ Thanks to your generosity and Aditi Hospital's exceptional care, this little one's life has been forever changed!
