

**NFI DONOR
IMPACT REPORT**

2024 - 2025

Dear

Dr. Donor,

Your support demands results and we're proud to deliver them. Your philanthropy of giving your time and energy for us creates lasting, tangible change. Thank you for being a force behind our progress.

Thanks to your generous donation, you directly contributed to:

- Contributed to a cumulative of 1500+ days of NICU stay
- Supporting 66 newborns from under served families across India
- Easing the financial burden of rural Indian families and urban poor
- Ensuring 90% of your contribution was used for program implementation with only 10% allocated to operational costs.
