

NFI DONOR IMPACT REPORT

2025 - 2026

De a Donor,

Your support demands results and we're proud to deliver them.
Your philanthropy of giving your time and energy for us creates lasting, tangible change.
Thank you for being a force behind our progress.

Thanks to your generous donation, you directly contributed to:

- Contributed to a cumulative of 10,214+ days of NICU stay
- Supporting 337 newborns from under served families across India
- Easing the financial burden of rural Indian families and urban poor
- Ensuring 90% of your contribution was used for program implementation with only 10% allocated to operational costs.
